Tiggy's provides many extra services over and above what we are legally required to do, such as but not limited to: a bespoke settling in process starting in the half term prior to your child joining us, a Montessori education, a longstanding, highly experienced, fully EY qualified staff team with staff ratios exceeding legal minimum requirements, 1:1 keyperson activities weekly with every child, 24/7 online access to your child's development profile, yellow book photo record, daily snack, weekly cooking, weekly ballet, Birthday, Christmas and school leaver events & gifts plus Forest School and weekly Montessori curriculum group work for children in their final year and much more. We therefore charge an enrichment fee for every funded hour that a child attends to ensure the nursery can be sustainable and provide the exemplary care & education it is known for locally.
